Hi John,

Here are our final comments:

For Illinois, please all area maps (Figures 1 & 3). They still read as proposals. I'm resending the updated maps you should use. Also, please accept changes and send a clean version.

For Indiana, please update the Indianapolis, IN map (Figure 1); Morgan County, IN (Figure 3); and Southwest Indiana, IN (Figure 4), with the ones attached. We deleted the monitors that were outside of the outlined NAA to make it consistent with other maps.

For Michigan, please clean up (accepting track changes).

For Ohio, please update the Steubenville map (Figure 5) with the attached. And clean up (accepting track changes).

For Wisconsin, please update the Rhinelander, WI map (Figure 1) with the attached. We deleted the monitor outside of the NAA. Also, please accept changes and send a clean version.

Once you're done with your TSDs, please submit them to me (and cc Gobeail McKinley) in a PDF file saved in the following format:

region number_state abbreviation_tsd (example: 05_IL_tsd.pdf)

I will be out of the office on Thursday and Friday, so in the event we get signature while I'm out, please make sure you cc Gobeail, as she's my back up on TSDs.

Thank you.
